

Enjoy the very best in life

If you permanently reside in the Caribbean or have the opportunity to visit your vacation home or villa on a regular basis you already know about enjoying life.

Alternatively, if you are looking for a deluxe holiday home to rent for your next Caribbean trip, you may want to check out Katiche Pointe Villa, perched on a rocky outcrop on the west coast of Virgin Gorda, described as one of the best hideaways in the BVI by Hideaways travel magazine. Apart from the spectacular views over Sir Francis Drake Channel, where the Caribbean meets the Atlantic, Katiche Point is an architectural masterpiece of exterior design which is often featured in the *Architectural Digest* magazine.

Each room is tastefully decorated with special attention to detail – *Island Paradise* magazine described it as ‘a retreat without comparison’

Part of the splendour of Katiche is its Viking Kitchen which complements the human desire to want "the best of what life has to offer". Look out for the spectacular kitchen and villa which will be used as a location for an exciting new series of 1/2 hour cookery shows from the BVI, *Simple Cooking!* Hosted by Davide Pugliese and scheduled to be shown on US TV from Summer 2003 - sure to whet your appetite and inspire your culinary aspirations at home and on holiday.

As a company Viking Kitchens can boast thousands of satisfied customers throughout the Caribbean region who have already chosen from the comprehensive product range enabling them to create restaurant quality food in their homes or to simply enjoy the aesthetic pleasure of the most brilliantly designed kitchen.
